

TERM OF OFFICE

Board members elected for a full term at a regularly scheduled school election in September serve for three years. Board members appointed to fill a vacant position will serve until the next scheduled school election. A board member elected to fill a vacancy will serve out the expired term.

Being a board member is a unique opportunity for a citizen to participate on a governing board of the school district. Eligible board members are encouraged to consider running for more than one term.

Two directors are elected two different years and one director is elected the other year.
