

STUDENT LOCKERS

Student lockers are the property of the school district. Students shall use the lockers assigned to them by the school district for storing their school materials and personal belongings necessary for attendance at school. It shall be the responsibility of students to keep their assigned lockers clean and undamaged.

To ensure students are properly maintaining their assigned lockers, the principal of the building may periodically inspect all or a random selection of lockers. Students will be present during the inspection of their lockers. Student lockers may also be searched in compliance with board policy regulating search and seizure.

NOTE: Iowa law requires students to be present during the inspection of their lockers. For locker searches, see Policy 502.8, Search and Seizure.
